

I respectfully ask the court not to dismiss the case against William Joyce in the case Civ. No. 06-701-SLR.

Because of my limited resources and the way the DOC have been moving me around it has been hard for me to locate William Joyce. I tried to get his forward information from DOC and Correctional Medical Services. I tried to find the article in the News Journal ~~where~~ where he was in the article but I couldn't get the help I need to google the article. I have been able to get a phone book down here in Smyrna. So I'm asking the Court to give me access to an investigator, access to an attorney and to keep the case open against William Joyce until I can serve him.

I also have a feeling that I may want/need to amend this case to include CMS and the DOC but at this time I like to have access to the investigator, attorney and a decision to keep Mr Joyce included in the case

Sincerely, Charles R. Burley
